Green Hills Community
Enriching All Seasons of Life
Welcome to Logan County!

I've recently been asking the question “why Logan County?” Of all the places in Ohio a person could live, work, start a business, or visit, why does Logan County make the short list? Many answers are similar to what you’ll hear in communities across the country. “We have great people. There are strong values. It is a good and safe place to raise a family. The schools are excellent.” I completely agree with all of these but I also feel Logan County has much more that makes it a truly unique and special place.

Naturally speaking we have beautiful rolling hills that offer breathtaking views to visitors who comment on how they can hardly believe they are in still in Central Ohio. To go a step further, Logan County offers snow skiing 20 minutes away from water skiing at one of the most visited State Parks in Ohio, Indian Lake State Park. This is truly a unique pairing!

When it comes to employment we have nearly 10,000 people commuting into our county every day thanks to strong industry and abundant job opportunities at the likes of Honda and its diverse suppliers, Mary Rutan Hospital, the Transportation Research Center, and many others. On the small business side our community and visitors continue to support local business as evidenced by the resurgence of downtown Bellefontaine and the perennial allure of places like downtown West Liberty. Just how do we know our community is choosing to support local business? For starters, in 2018 the Chamber issued $66,445 in Chamber Choice Checks which are local dollars that will all be spent at local chamber member businesses across the county.

There are countless other “why Logan County” responses and stories. I encourage you and your business to share your “Why Logan County” story to help spread the word that our community is the place of choice to live, work, start a business, and visit. Contact our Chamber team and we’ll gladly help get your story telling started through our social media.

10 Things to Know About Logan County

We're in everybody's backyard
Logan County is less than an hour’s drive from Columbus, Dayton, and Lima.

We've wrecked our fair share of cars...
...as a part of crash safety testing done at the Transportation Research Center, the largest independent vehicle testing organization in the Americas. Their facility is capable of testing every type of vehicle from lawn and garden tractors to military equipment.

It's all downhill from here
Logan County is home to the highest point in Ohio at Campbell Hill located on the campus of Ohio-Hi Point Career Center. Our high elevation provides for big attractions like Mad River Mountain, the state’s top ski and snowboard resort with 144 skiable acres, 20 trails, and 4 terrain parks.

We're kings of the castles...
...the Piatt Castles, that is. Built by brothers Donn and Abram S. Piatt in the 1860s and 1870s, Castles Mac-O-Chee and Mac-A-Cheek are still owned by the Piatt family and are open for tours from spring-fall.

We're all hopped up on our own brew
Having earned the title of #1 Beer Bar in Ohio for three years running, Brewfontaine is Logan County’s best destination for craft beer enthusiasts. Enjoy exclusive collaboration brews, wines on tap, and great live music on their patio. They even have Bellefontaine's own Roundhouse Depot Brewing Co. on tap throughout the year.

The talk of the town...
...is downtown. Since 2011, twenty-seven buildings have been renovated into world-class restaurants, award-winning boutiques, and beautifully designed loft living spaces. The Logan County Courthouse, originally constructed in 1870, was fully renovated and reopened in late 2018, making it a towering centerpiece of Bellefontaine’s downtown landscape.

You can live the lake life here
5,800-acre Indian Lake is the perfect place to boat, fish, and swim to your heart’s content. Enjoy miles of trails and bikeways around the lake and its islands, or have a relaxing picnic at one of eight shaded vistas. Looking to stay overnight? There are over 4,000 campsites available. Go to visitindianlakeohio.com for more information on the area's amenities.

Reach + Response = Results Beyond Measure

Newspaper advertising is a highly effective way to steer more customers your way, and our Total Market Coverage (TMC) editions make it easier than ever for you to tell your story to more than 30,000 readers throughout Logan County.

Above and beyond our normal daily paid circulation, we produce an additional 5,000 copies that are mailed to non-subscribers who reside in the county seat. When combined with our daily paid circulation this allows you to reach virtually every potential customer in the 43311 ZIP code.

Our Roots Are In This Community

In 1889, United Midwest Savings Bank opened its doors in DeGraff, Ohio. Since then, we’ve expanded our products and services, enlarged our branch network, and grown to become the 15th largest SBA lender in the country. But, we’ve never forgotten that our roots as a community bank are right here. Stop in and talk to us about great CD rates, a mortgage or business financing.
Zip your way over to Markin Farms or travel to the historic Ohio Caverns to explore …

Logan County has so much fun to offer. You can enjoy a relaxing boat ride on Indian Lake, go shopping in Downtown Bellefontaine and West Liberty, or even explore the History of the Piatt Castles all within the comfort of your backyard. Don’t let the fun stop there.
