City engineer overviews upcoming building, infrastructure projects

BISCHOFF

BY THE EXAMINER STAFF

While there is no empirical evidence to say that City Engineer Jim Bischoff, P.E., is the busiest employee of the City of Bellefontaine, he's likely in the starting lineup.

"I have a lot of stuff that comes across my desk," Bischoff said with a chuckle.

A Hardin County native who attended Upper Scioto Valley and Ohio Northern University, Bischoff worked as the city engineer in Marion (twice) and in the private sector for a couple of decades before taking the Bellefontaine City Engineer's position

in January 2023.

City engineers have one of the longest job descriptions of any municipal employee, be that city small, medium or large in size.

It is Bischoff's responsibility to come up with a strategy for land use in the city, design and oversee the planning, cost and installation of infrastructure (water and sanitary lines); coordinate with contractors who are building, whether a one-bedroom tiny house on vacant lot or putting up dozens of housing units; ensure those same contractors are meeting the

Scott honored for efforts to expand Simon Kenton Trail

BY THE EXAMINER STAFF

A longtime volunteer was recognized Saturday morning, Oct. 26, by the Simon Kenton Pathfinders group and others with a special dedication at the Carter Avenue Trailhead of the Simon Kenton Trail in Bellefontaine.

More than 100 people gathered at what Carmen Scott thought was an event to support and promote the trail, but was actually a surprise dedication of the trailhead and a future shelter house at the Carter Avenue location, which will be named in his honor.

Carmen has been instrumental in the development of the northern extension of the trail in Logan County and has given countless hours to work for trail

upkeep in addition to many other community service projects over the years, event organizers noted.

Bellefontaine Mayor Dave Crissman and Kris Myers, superintendent of the Bellefontaine Joint Recreation District, shared their appreciation of Carmen's efforts.

Raider Outreach Club gives back through Spirit Walk

BY THE EXAMINER STAFF

Benjamin Logan Schools celebrated Halloween with a wave of school spirit and community connection at this year's Spirit Walk Friday, Oct. 25.

Organized by Rob Painter and the Raider Outreach Club (ROC), a student-led service organization dedicated to promoting leadership and community service, the event brought together over 600 elementary students and high schoolers in a festive atmosphere.

Elementary students in Halloween costumes paraded through the high school halls, eagerly trick-or-treating and proudly displaying their costumes.

High school students lined the hallways to cheer on the younger students and hand out candy, making sure each ghost, princess and superhero received a sweet treat.

"The Spirit Walk is a fun way for students of all ages to connect, share in the Halloween excitement, and display their Raider pride," said Painter, ROC adviser. "It's especially meaningful to see high school students give back to the younger students in this way."

As part of their commitment to community involvement, ROC members regularly engage in service projects throughout the year, and the Spirit Walk offers an opportunity to foster connections within the school community.

The Raider Outreach Club is open to students from all high school grade levels and partners with Key Club and Interact, requiring members to complete a minimum number of service hours annually. Student Government is also a contributor to the event.

LOGAN COUNTY BOARD OF DD SUPPORTING PEOPLE TO PURSUE THEIR EMPLOYMENT DREAMS:

Grisez uplifts others in role at Mary Rutan Hospital

SUBMITTED BY THE LOGAN COUNTY BOARD OF DD

National Disability Employment Awareness Month is celebrated throughout the month of October and provides awareness of the work that helps keep our nation strong through equal opportunity for all citizens.

The Logan County Board of Developmental Disabilities is sharing stories of people with developmental disabilities this month and their partnering employers to promote inclusivity in Logan County.

Through steadfast determination and self-awareness, Chloe Grisez found her employment niche in the middle of a pandemic. Chloe realized she could use her kindness and her interest in being around

others in a positive manner.

After graduating from Ohio Hi-Point studying food and nutrition, she made the leap to put her knowledge into work. She joined the employment force at Mary Rutan Hospital in January of 2021 and has been smiling ever since.

Working in the nutrition field continues to be important to her and she loves working with her co-workers, patients and visitors. Her favorite place to deliver meals is the Family and Birthing Center at Mary Rutan Hospital. Chloe works diligently to ensure each patient receives the correct meal as food needs, allergies, and nutrition requirements are an important part of a person's health journey. Chloe ensures that each patient

and visitor receives a smile. She believes smiling is infectious and will reduce the amount of stress people feel about being in a hospital. Helping people be the healthiest while they heal is important to Chloe and she takes her job seriously.

Chloe's five-year plan is to transition to full-time employment at Mary Rutan Hospital while continuing to learn and grow. Advocacy is important to Chloe, and she wants to continue to challenge herself and improve her life.

Discovering her potential through learning opportunities will help her live her best life and provides a good example to others. Chloe's underlying interest in spreading joy and positivity through her infectious smile and pure kindness is going to take her far in life.

POLICE & FIRE

Bicyclist charged with OVI

Just hours after being warned by Bellefontaine officers for public intoxication and escorted home, a local woman was arrested early Sunday morning on multiple charges, including for impaired driving, after failing several field sobriety tests on her bicycle.

Trinity Yocum, 32, of Bellefontaine, was one of two bicyclists observed by officers of the Bellefontaine Police Department around 12:18 a.m., Sunday, Oct. 27, heading northbound through an alley near the Garage bar, 121 W. Chillicothe Ave.

Both cyclists failed to yield at the stop sign on south Canby Street, crossing west Chillicothe Avenue. One cyclist, later identified as Yocum, nearly collided with an officer's cruiser before swerving onto the sidewalk. Officers recognized Yocum from an earlier call for service involving public intoxication and initiated a stop.

Despite the officer's lights and verbal commands, Yocum continued north-

bound on south Detroit Street without stopping. Eventually the officer pulled ahead of the bike and intercepted her.

Upon making contact, officers noted slurred speech and an odor of alcohol. Yocum admitted she had been drinking and had received a ride home from officers earlier in the evening.

Officers conducted a series of field sobriety tests, during which Yocum struggled to maintain her balance and understand instructions. When questioned, Yocum admitted to consuming alcohol that night and stated she was attempting to meet her boyfriend at a party.

After failing the tests, she submitted to a breathalyzer test at the Bellefontaine Police Department, which recorded a blood alcohol content of 0.178 — over twice the legal limit.

Yocum was issued citations for OVI, failure to stop at a stop sign, cycling without required lights and riding on the sidewalk. She was lodged in the Logan County Jail.

WASHINGTON TOWNSHIP POLICE

Man lodged for drug possession

Paul Parks, 45 of Coshocton, was charged with possession of drugs, speed and fictitious registration during a traffic stop about 3:10 p.m. Tuesday, Oct. 22.

Officers of the Washington Township Police Department on patrol in the school zone on State Route 274 near State Route 235 observed a vehicle driven by Parks traveling at 32 mph in a 20 mph zone and also a fictitious registration.

Upon making contact with the driver, signs of drug use were reportedly observed. Parks was asked for consent to search his person.

During a consent search, officers located a plastic bag containing methamphetamine in his pocket. He was taken into custody and

lodged in the Logan County Jail.

Passenger transported from pickup, Amish buggy crash

Barbra Wagler, 69, of DeGraff, was transported by Riverside EMS to Mary Rutan Hospital for treatment of suspected minor injuries sustained in a crash Sunday evening, Oct. 27.

Deputies of the Logan County Sheriff's Office report she was a passenger in a northbound Amish buggy operated by Tom Wagler, 71, of DeGraff, about 8:55 p.m. along State Route 235 near State Route 47.

Rickie F. Jacobs, 44, of Huntsville, was operating a northbound Chevrolet 3500 pickup and reportedly struck the rear of the buggy.

No other injuries were reported. Damage was light to the pickup and heavy to the buggy.

Jacobs was cited for failure to maintain assured clear distance ahead.

city's codes and specifications; decide which public projects get the immediate green light and which ones get moved to the back burner; inspect sites and monitor progress of the various projects, both private and public; as well as approve budgets for a score of projects that are ultimately presented to the Bellefontaine City Council for approval.

If that's not enough, Bischoff is also the city's zoning inspector. It's in his mandate to ensure that any new construction — again be it a single family home or a 50-unit housing development — is in compliance with the city's zoning codes to include lot sizes, elevations, set backs, runoffs, infrastructure, buffer zones and a dozens other zoning code rules with which all builders must comply.

Given all the action that is happening in Bellefontaine, Bischoff's plate is full at present. He is keeping his hand in overseeing the infrastructure placement of the Ludlow Ridge project, located along County Road 1 (just south of the Bellefontaine Middle School), as well as the Maris Park project on the east side of the city (along Township Road 179).

These two projects will add approximately another 100 housing units to the city, along with the water and sanitary lines that go with them, plans for all of which can be found on Bischoff's radar.

And that just the private sector aspect of his job. In his report to the Bellefontaine City Council at their last meeting, Tuesday, Oct. 22, he said that water line replacement for Richard Avenue from Main Street to Wright Street — a public project — is likely to be put off until spring.

In addition, a water main replacement that will follow Summit Street between Reservoir Road and Eastern Avenue should be getting underway within the next couple of weeks.

New meters will be installed as needed and residents have already paid for the project through their taxes, so any damages to properties as the construction is underway will be taken care of by the city.

Among other things on Bischoff's desk are plans to replace the sanitary line along Garfield Avenue, running from West Street to the city limits. This will allow who live along that corridor to tie into the city lines — a priority of the Logan County Health District — and encourage possible further growth.

Thursday, Oct 24, Bischoff made the the loop around the newly-laid walking track at Blue Jacket

Polly (Young) Hiltibran

Polly (Young) Hiltibran, 82, passed away peacefully at home in Moody, Alabama, on Saturday, October 26, 2024, surrounded by her loving family.

Born in 1941 in Bellefontaine, Ohio, Polly grew up and spent most of her life in the area. She graduated from Zanesfield Monroe High School and later pursued a career as a beautician, brightening the lives of many with her care and friendship.

Polly was a devoted Christian, active in her church communities, and steadfast in her faith. She was a talented, award-winning quilter whose beautiful creations brought joy to many. Polly also enjoyed gardening and flowers. Known for her sense of humor and love for games and puzzles, Polly cherished time spent creating happy memories with her family and friends.

She is lovingly remembered by her children, Todd (Kristi) Hiltibran and Wendy (Dan) Baker; her grandchildren, Matthew (Mitch Rodriguez) Hiltibran, Madison Calloway, Timothy (Christel) Hiltibran, Daniel (Tina) Baker, Bethany Hiltibran, Riley (Jeremiah) Allen, Kathryn Hiltibran, Nathan Hiltibran, and John Hiltibran; and her great-grandchildren, Turner White, Gage Calloway, Sadie Allen, Rose Hiltibran, Chase Baker, Miles Hiltibran, and Parker Allen. Polly also leaves behind her dear sisters, Martha Rutherford, Patsy (Paul) O'Neil, and Sally Robinson, along with a large, loving family of relatives and friends.

Rare dime bought by Ohio farm family and hidden for decades fetches \$500,000 at auction

TOLEDO, Ohio (AP) — An extraordinarily rare dime whose whereabouts had remained a mystery since the late 1970s has sold for just over \$500,000.

The coin, which was struck by the U.S. Mint in San Francisco in 1975, depicts President Franklin D. Roosevelt and is one of just two known to exist without its distinctive "S" mint mark.

Three sisters from Ohio inherited the dime after the death of their brother, who had kept it in a bank vault for more than 40 years.

The coin sold for \$506,250 in an online auction that concluded Sunday, according to

Ian Russell, president of GreatCollections, an auction house based in Irvine, California.

The only other known example of the "1975 'no S' proof dime" sold at a 2019 auction for \$456,000 and then again months later to a private collector.

The mint in San Francisco made more than 2.8 million special uncirculated "proof" sets in 1975 that featured six coins and were sold for \$7. Collectors a few years later discovered that two dimes from the set were missing the mint mark.

She was preceded in death by her husband, Bill Hiltibran; her parents, Nelle (Anderson) and Milo Young; and her sister, Colleen Schroeder.

A celebration of Polly's life will take place at 10 a.m. Tuesday, October 29, at Usrey Funeral Home in Pell City, Alabama.

Our family extends heartfelt gratitude to all who have provided care, kindness, and prayers for Polly.

James E. 'Jim' Huffman

James E. "Jim" Huffman, 81 of Bellefontaine passed away Thursday, October 24, 2024 at his residence.

Jim was born October 30, 1942 in Mannington, WV to the late Paul and Zella (Kerns) Huffman. On August 29, 1986 he married Carol Sue Riley, who survives.

Jim worked at Westinghouse and was part owner of TJ's Radio Sales & Repair for many years.

He later went to work at AGC where he was part of the senior staff maintenance and retired in 2006. He was a member of the Elks, the Eagles and AMVETS. He enjoyed his computers, ham radios and to tinker with electronics. Jim also enjoyed wood-working and swinging on his front porch swing, the one that he had made. He liked taking care of his yard and making sure it was in pristine shape.

He also enjoyed spending time with his best friends, Charley Lamb and the late Jim Vanness. There were times that he and Charley would have lengthy conversations on the phone. Jim loved his dogs, cars, motorcycles, photography and nature. He will be deeply missed by all who had the privilege to get to know him.

He is survived by his loving wife of 38 years, Carol S. Huffman; daughter, Tiffany M. (Angi Sprang) Huffman; sons, James E. Huffman II and Todd J. Young; grandchildren, Brittnee (Tyler) Vermillion and Brooklyn Huffman; great grandchildren, Sawyer Vermillion and Bowie Vermillion; his beloved fur babies; Mandi and Abby.

A Memorial Service will take place Saturday, November 2, at 11 a.m. at Jennings Farley & Seeley Funeral Home & Crematory. Visitation will take place from 10 a.m. until the time of the service. A private family burial will take place in Fairview Cemetery – West Liberty at a later date.

Memorial Contributions may be made in Jim's name to your Local Humane Society or Pet Rescue.

Big Orange punch tickets to state

Boys squad wins regional, girls team takes third

BY THE EXAMINER STAFF

It will be familiar territory for the West Liberty-Salem boys and girls cross country teams this week as they are both heading back to the state meet.

Saturday's regional meet in Troy was another impressive showing for the Big Orange.

The boys finished atop the podium in Division II, while the girls team placed third in Division III.

For the Division II boys meet, the top four teams and the top 16 runners advanced to state.

The Division III girls race advanced the top three teams and top 12 runners.

The state meet is Saturday at Fortress Obetz in suburban Columbus. The Big Orange girls will run at 10:45 a.m. and the boys will run at noon.

The Big Orange boys claimed their regional championship Saturday with 57 points. Versailles was second (82), with Cincinnati Hill Christian Academy (99) and Oakwood (103) the other team qualifiers.

WL-S won the Division III regional title last year, making this the first back-to-back regional titles since the team's run in 1976-79. It is the seventh straight trip to state and 23rd overall.

Senior Asher Knox led the team with a fifth-place finish in a personal-record time of 15:59. Caleb Larson was right behind in sixth (16:01), followed by Dylan King (12th, 16:32); Asher Cole (17th, 16:47) and Brayan Gullett (19th, 16:49).

Also in action were Troy Bradley (28th, 17:06) and Garrett Wallen (53rd, 17:46). There were 104

runners in the field. "Winning is never easy, especially at the Division II level, so to take home the

regional championship is an amazing accomplishment," said WL-S boys coach Mike Loudon. "I'm

just so proud of the way these young men show up week after week and perform at a high level. We're

very excited to be heading to the state meet." "Individually, I thought Asher Knox ran his best

race of the year, meticulously moving up the entire race," added Loudon. "Caleb Larson also had a special performance. Dylan King has put back-to-back solid races together, while Asher Cole and Brayan Gullett, our two freshmen, handled themselves well, considering this was their first regional contest. Troy Bradley and Garrett Wilson also ran solid races, with Troy setting a season best."

The Big Orange girls ran their way to a third-place finish out of 11 teams in the Division III race.

Madeira (72 points) and Summit Country Day (73) were the top two.

Malia Miller led WL-S in fourth (19:20) and Addi Wallen was fifth (19:21), with Gwen McCullough (10th, 19:38); Isla Leichty (25th, 20:56); and Mariska Smith (33rd, 21:21) part of the team score. Others in action were Ivy Matthews (49th, 22:13) and Isabella Hughes (66th, 23:56).

"I am so proud of these girls," said first-year WL-S girls head coach Aaron Lauck. "We were ready for a battle knowing a top-seven OATCCC state-ranked team would not make it out of our region. Based on the district performances, we were the outside team looking in. Our team embraced the challenge, handled the pressure, and came away with a state berth. To be so close to first place was amazing. It is also noteworthy that Malia, Addi, and Gwen all would have qualified individually. We are encouraged going into state. These girls are battle-tested and ready to compete."

Brown, Maus to represent Chiefs at state cross country meet

BY THE EXAMINER STAFF

Bellefontaine's cross country programs are sending a pair of standouts to this week's state meet.

The Chiefs' Hayden Maus qualified for the Division II state cross country meet with a third-place finish at Saturday's regional race at Troy. On the girls side, sophomore Grace Brown is state bound with a second-place finish in the Division II race.

The state meet is next Saturday at Fortress Obetz on the south side of Columbus. The Division II boys race is at noon, followed by the girls at 12:45 p.m., and the awards presentation will be conducted at about 1:15 p.m.

Maus, a junior, had a time of 15:53 and finished third overall. His time is the second best in program history behind Aaron Augustus, who ran 15:51 in 1992.

Also competing for the Chieftains on Saturday were Jake Moreland (39th, 17:22); Oliver Grandstaff (48th, 17:36); Will Myers (52nd, 17:45); Elias Abrego (57th, 17:52); Landon Gerwels (18:19, 68th) and Brenden Murray (86th, 19:05). The times for Myers, Abrego, Gerwels and Murray were personal bests. There were 104 runners in the field.

The Chieftains finished with a team score of 173, placing seventh out of 14 teams.

For the Division II

regional, the top four teams and the top 16 runners earned state berths.

"Hayden had a tremendous strategic race," said longtime Bellefontaine head coach Ben Davis. "He improved by 43 seconds from last year's regional. He enters (the) state meet with momentum. This was possibly his best career race overall."

"The team had a good day as nearly everyone ran a career best," Davis added. "Our four sophomores gained valuable experience. (Gerwels) is our seventh fastest regional freshman. We thank seniors Elias (Abrego) and Ryan (Alexander) for their tremendous leadership this season."

Matchups set for football postseason

Four local teams to play at home Friday

Area football fans won't have to do much traveling for the opening round of the playoffs.

The Ohio High School Athletic Association released its final regular-season computer rankings Saturday, officially confirming that five local teams will be playing playoff football. Four of those squads will be hosting first-round games Friday night.

The top 16 teams in each region earned playoff berths, with the top eight hosting in the first round. Those finishing in the top four will also play at home in the second round providing they win their first-round game.

Those earning playoff berths locally were Bellefontaine in Division III, West Liberty-Salem and Indian Lake in Division V and Ridgemont and Riverside in Division VII.

The Chieftains (8-2) closed the regular season on a four-game winning streak and that pushed Bellefontaine up to the fifth spot in Division III, Region 12.

Bellefontaine will host 12th-seeded Dayton Chaminade-Julienne on Friday at AcuSport Stadium.

Chaminade-Julienne finished with a 5-5 record.

The Eagles closed the regular season with back-to-back losses, including a 31-6 defeat against Kettering Alter in Week 10.

WL-S (9-1) is the highest seeded of the area teams at number two in Division V, Region 20.

The Tigers will welcome 15th-seeded Arcanum for a first-round game Friday night.

The Trojans went 6-4 during the regular season, capping the season with two straight wins.

Also in Region 20, Indian Lake (8-2) earned the fifth seed. The Lakers will host 12th-seeded Versailles (5-5) on Friday in the first round.

Versailles finished the regular season on a five-game losing streak, but as a member of the daunting Midwest Athletic Conference, the Tigers' losses came to Marion Local 48-0, Anna 13-7, Minster 35-0, Coldwater 52-14 and St. Henry 17-10.

Ridgemont's football program has made history with its playoff berth. This is the first time the Gophers have qualified for the playoffs.

Ridgemont, at 8-2, turned in its first winning season this fall since the Gophers went 7-3 in 1995.

Local volleyball squads fall in district finals

BY THE EXAMINER STAFF

A trio of area volleyball teams ran into perennial powers in the Division IV Southwest District championship round Saturday at Troy High School, with all three coming up short.

Bellefontaine was defeated by fellow Central Buckeye Conference Kenton Trail division opponent Kenton Ridge 25-17, 25-13, 25-17.

It was the third time this season the two squads battled it out.

The Chiefs finish the season with a record of 16-7.

Kenton Ridge, the num-

ber-two ranked Division IV team in the state, improves to 22-1 as it prepares for the regional.

Indian Lake was knocked out of postseason play Saturday by Cincinnati Mercy McAuley, which won the Division II state title last year. McAuley defeated the Lakers by scores of 25-11, 25-12, 25-17.

Kenzie Dixon tallied eight kill and 12 digs to help spark the Lakers. Halle Roby was 8-8 serving and had 21 assists and five digs, Cami Bailey was 11-13 hitting with five kills and four digs, Riley Ross was 9-10 serving, 19-22 on

serves received and had 10 digs, Annie Rapp was 4-5 serving and had five kills and four digs and Courtney Altstaetter was 13-16 hitting with five kills and two blocks.

Indian Lake wraps up the season with a record of 21-4.

Benjamin Logan lost to Cincinnati McNicholas 25-21, 25-15, 25-13 in its district championship match. McNicholas is the number-one ranked team in the state and was the Division III state runner-up last year.

The Raiders finish the 2024 campaign with a record of 16-8.

Winston's start against Ravens gives Browns new hope for rest of season

CLEVELAND (AP) — Say this for the never-a-dull-moment Cleveland Browns: They sure know how to pick backup quarterbacks.

Their search for a franchise QB continues.

Just like last season, when Joe Flacco rescued the Browns and led a play-off run after Deshaun Watson suffered a season-ending shoulder injury, Jameis Winston stepped in and lifted Cleveland to an

emotional 29-24 win over the Baltimore Ravens on Sunday.

In his first start in two years, Winston threw three touchdown passes and for 334 yards — the most in a debut by any of Cleveland's 39 starting quarterbacks since 1999. The performance has fans wondering why the team stuck with a struggling Watson for so long before he sustained a season-ending ruptured Achilles tendon last week.

"I'm not really thinking that way," coach Kevin Stefanski said Monday on a Zoom call when asked about riding with Watson. "I thought Jameis did a nice job yesterday. I know he feels like he can play better, but I'm not thinking about it that way."

Well, everyone else is. Stefanski did confirm

that Winston will remain Cleveland's starter going forward, as if there was any doubt.

Whether hyping teammates with an emotional pregame speech or reciting lyrics to Eminem's "Lose Yourself" during an on-field TV interview afterward, Winston brought light and life to a season that was headed toward a dark place.

With Winston, everything looked better than with Watson. The Browns were in sync.

Cleveland's offensive line, which has been unable to build much consistency due to injuries, protected Winston. Unlike Watson, who seemed to panic at the first sign of trouble, Winston stayed in the pocket, allowing pass routes to develop before scrambling.

In the girls' race, the Chiefs' Brown continued her sensational sophomore season with her runner-up performance in a time of 18:41.

There were 100 runners in the field in all. Taking first was Abby Sewell of Mercy McCauley (18:26).

"We've known all week

that this race would be a battle up front and Grace wanted to be in the thick of it," said Bellefontaine girls cross country coach Stacey Wilson. "She stayed composed, ran a smart race and it paid off with a big runner-up finish, qualifying her to a second state meet appearance. This is the kind of momentum you want rolling into the last

and biggest race of the season."

Indian Lake junior Reagan Rash also ran Saturday in the Division II race, missing state by just four spots. She finished 20th in the race, with a time of 20:29.

In the Division III boys race, Triad's Henry Beaverson was 29th in 17:41.

Football

Continued from Page 4

Prior to that, the 1979 season was the last with a winning record.

The Gophers are seeded fifth in Division VII, Region 28. They will host Ft. Loramie for a first-round game Friday.

The Redskins are 5-5 on the season. They are coming off a 31-21 win over

Allen East in Week 10.

Riverside, which also resides in Region 28, is the lone local team that has to go on the road in the opening round. The Pirates (4-6) are seeded 12th and will play at Lehman Catholic on Friday. That game will be a rematch from a regular-season matchup in which the Cavaliers won 34-18 in Week 7.

Ohio playoff history

The current computer ranking and playoff system in Ohio high school football began in 1972. Initially, there were just three "classes" of competition: AAA, AA and A. Schools were placed in each class depending on size. There were four regions in each class, with only one team in each region qualifying for the playoffs.

Changes were made to the system in 1980. Instead of "classes," teams were divided into "divisions" and five divisions were established, with Division I being the biggest and V the smallest. Also, instead of one team from each region making the playoffs, it expanded to two teams

from each region.

The playoffs were then expanded again in 1985 as four teams from each region earned postseason berths.

The OHSAA established a sixth division for high school football in 1994, and in 1999, the amount of play-off qualifiers in each region doubled from four to eight.

In 2013, a seventh division was added.

During the Covid season of 2020, the OHSAA elected to allow all of their schools to "opt in" to the football playoffs.

Then in 2021, the current model was adopted, with the playoff field being doubled again, this time moving from eight teams to 16 in each region.

Why vote 'no' on Issue 1

I have read the full ballot for Issue 1 Initiative Petition to Create an Appointed Redistricting Commission. There are 10 bullet points to the petition. Two points bother me greatly.

Point 8 states, "Limit the rights of Ohio citizens to freely express their opinions to members of the commission or commission staff regarding the redistricting process of proposed redistricting plans." There go our First Amendment rights.

Point 10 is a bureaucrat's dream. Item 10 states, "Impose taxpayer-funded costs on the state of Ohio to pay the commission members, the commission staff and appointed special masters, professionals and private con-

sultants that the commission is required to hire; and an unlimited amount for legal expenses incurred by the commission to any litigation."

How do I get this job with an open checkbook?

Mike Altstaetter

Issue 1 - NOT for Ohio

If you are wondering about Issue 1, this is an amendment to the Ohio State's Constitution. Amendments should NOT be taken lightly. They affect us for a long time!

Be aware that this proposal is funded by millions of dollars of dark money (some from foreign countries), trying to give the same status to illegal immigrants as is given

to citizens.

Also, it will begin creating a single party majority for the future. No more back and forth between parties — competition brings out the best of the candidates!

We would have no say in who gets put on the committee that would decide our voting districts. We could not fire them or reduce their unlimited budgets. We lose our ability to disagree with their findings — no court could address our concerns — they would be above the law.

If we pass Issue 1, we lose some of our autonomy. Once lost, it is very difficult to get it back.

Protect our freedoms, our voices and our rights!

Vote NO on Issue 1!

Moon Alert: After 1:00 a.m. EDT today, there are no restrictions to shopping or important decisions. The Moon is in Libra.

HAPPY BIRTHDAY for Tuesday, Oct. 29, 2024: You are passionate and playful. However, family and loved ones are always important to you. This is a slower paced year with a strong focus on partnerships and close friendships. Take time to rejuvenate yourself. Focus on people who are kind and beneficial to you.

The Stars Show the Kind of Day You'll Have: 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult

ARIES (March 21-April 19) ★★ Make an effort to listen to others today. Be ready to compromise or go more than halfway. This is how your day will work best. Don't be demanding. Be accommodating. Travel, or make travel plans if possible. You want a change of scenery that's exciting. Tonight: Courtesy.

HAPPY BIRTHDAY for Tuesday, Oct. 29, 2024: You are passionate and playful. However, family and loved ones are always important to you. This is a slower paced year with a strong focus on partnerships and close friendships. Take time to rejuvenate yourself. Focus on people who are kind and beneficial to you.

LIBRA (Sept. 23-Oct. 22) ★★ For two and a half days every month the Moon is in your sign. This is happening right now, and it can make you more emotional. Stay cool. The good news is it can slightly improve your good luck, which means this is a good day to ask the universe for a favor. Try it. See what happens. Tonight: You're strong.

SCORPIO (Oct. 23-Nov. 21) ★★ By nature, you are private. Today in particular, you will protect your privacy, because you feel the need to go off by yourself or work alone or behind the scenes. By no means is this a deprivation. Find someplace comfortable with good food and drink. Tonight: Privacy.

CANCER (June 21-July 22) ★★ Home and family are your focus today, which is why you'll be happy to relax at home among familiar surroundings. You might want to get out. Or perhaps you want to entertain. An important one-on-one conversation might take place with a family member. Tonight: Cocoon.

LEO (July 23-Aug. 22) ★★ This is the perfect day for a short trip. Or you might be busy with errands, appointments and conversations with siblings, relatives and neighbors. You want some gossip or information, or a chance to learn something new and interesting! "What's the buzz, cuz?" Tonight: Discussions.

VIRGO (Aug. 23-Sept. 22) ★★ Today your cash flow and earnings or something to do with your belongings and assets will be a stronger focus. You might want to take care of something that you own by cleaning it or repairing it. You also might look for ways to boost your earnings. Tidy up loose ends. Tonight: Check your money.

SAGITTARIUS (Nov. 22-Dec. 21) ★★ Your emotional experiences will be more intense today. You might have an intense discussion with someone, or you will attract intense people to you. This could be because you're discussing debt, insurance matters, inheritances or something that you share or divide with someone. Tonight: Check your finances.

ADEA RULINGS
The Bellefontaine Examiner does not knowingly accept help wanted advertisements in violation of the Age Discrimination Employment Act. The ADEA prohibits arbitrary age discrimination of persons age 40 or over and applies to employers with 25 or more employees, employment agencies and labor organizations. Advertising containing such terms as "young", "boy", or "girl" or designating a certain age such as "age 35 to 55" or other similar specification indicates discrimination against employment of older persons and are considered in violation of the act. Information about the Act may be obtained by calling or writing the U.S. Department of Labor, Wage and Hour Division.

Legal Notice
Request for Proposal - Harmon Field Park Design and Construction Administration
Proposals will be received by the Bellefontaine Joint Recreation District 135 N. Detroit St. Bellefontaine, Ohio 43311 UNTIL FRIDAY NOVEMBER 8, 2024 AT 10:00 AM, for providing a Harmon Field Park Design and Construction Administration for Bellefontaine Joint Recreation District. The RFP documents can be obtained from the Bellefontaine Joint Recreation District at 135 N. Detroit St. Bellefontaine Ohio 43311 during normal business hours or via the website www.bellefontaineparks.com. Any questions may be directed to Kristopher Myers, Superintendent, Bellefontaine Joint Recreation District at kmeyers@ci.bellefontaine.oh.us or (937)592-3475. Bellefontaine Joint-Recreation District, through its duly authorized and constituted officials, reserves its rights to reject any or all proposals. The BJRD board and staff will review all proposals based upon the stated criteria. It is the intention of the BJRD to negotiate a contract with one firm. Late or incomplete submissions will be rejected.

PUBLIC ANNOUNCEMENT REQUEST FOR DESIGN-BUILD SERVICES STATEMENTS OF QUALIFICATIONS (WEST LIBERTY-SALEM LOCAL SCHOOL DISTRICT)
The West Liberty-Salem Local School District (the "District") invites interested parties to submit sealed statements of qualifications for design-build services related to fieldhouse (the "Project"), which it intends to be delivered via design-build. Copies of the complete Request for Qualifications may be obtained from the school's website https://www.wlstigers.org/. Statements of qualifications must be delivered to the District no later than noon, November 18, 2024. Statements of qualifications should be emailed to Kraig Hisson at khissong@WLSSTIGERS.ORG. The Project is anticipated to include a fieldhouse and related improvements project. McCall Sharp Architecture is acting as Criteria Engineer. The District will seek financing for the Project and the Project is contingent upon obtaining acceptable financing. The District will evaluate statements of qualifications submitted and select and short list 3 firms and then issue an RFP to those short list firms for technical and pricing proposals. Prior to any short listing, the District, at its discretion, may hold discussions with one or more individual or associated candidate firms to explore a firm's statements of qualifications, the scope and nature of the services the firms would provide, and the various technical approaches the firm(s) may take toward the Project. NO FEE ESTIMATED IS REQUESTED AS PART OF THE RESPONSE TO THIS RFP. The District reserves the right to reject any, part of any, or all statements of qualifications and to waive any informality, irregularity, or failure to conform to the instructions contained in this Public Announcement or in the Statement of Qualifications. 'Venom: The Last Dance' misses projections as superhero films' grip on theaters loosens

NEW YORK (AP) — "Venom: The Last Dance" showed less bite than expected at the box office, collecting \$51 million in its opening weekend, according to studio estimates Sunday, significantly down from the alien symbiote franchise's previous entries. Projections for the third

"Venom" film from Sony Pictures had been closer to \$65 million. More concerning, though, was the drop off from the first two "Venom" films. The 2018 original debuted with \$80.2 million, while the 2021 follow-up, "Venom: Let There Be Carnage," opened with \$90 million even as theaters

were still in recovery mode during the pandemic.

"The Last Dance," starring Tom Hardy as a journalist who shares his body with an alien entity also voiced by Hardy, could still turn a profit for Sony. Its production budget, not accounting for promotion and marketing, was about \$120 million — significantly less than most comic-book films.

But "The Last Dance" is also performing better overseas. Internationally,

"Venom: The Last Dance" collected \$124 million over the weekend, including \$46 million over five days of release in China. That's good enough for one of the best international weekends of the year for a Hollywood release.

Still, neither reviews (36% fresh on Rotten Tomatoes) nor audience scores (a franchise-low "B-" CinemaScore) have been good for the film scripted by Kelly Marcel and Hardy, and directed by Marcel.

The low weekend for "Venom: The Last Dance" also likely insures that superhero films will see their lowest-grossing year in a dozen years, not counting the pandemic year of 2020, according to David A. Gross, a film consultant who publishes a newsletter for Franchise Entertainment.

Following on the heels of the "Joker: Folie à Deux" flop, Gross estimates that 2024 superhero films will gross about \$2.25 billion worldwide. The only upcoming entry is Marvel's "Kraven the Hunter," due out Dec. 13. Even with the \$1.3 billion of "Deadpool & Wolverine," the genre hasn't, overall, been dominating the way it once did. In 2018, for example, superhero films accounted for more than \$7 billion in global ticket sales.

Last week's top film, the Paramount Pictures horror sequel "Smile 2," dropped to second place with \$9.4 million. That brings its two-week total to \$83.7 million worldwide.

The weekend's biggest success story might have been "Conclave," the papal thriller starring Ralph Fiennes and directed by Edward Berger ("All Quiet on the Western Front"). The Focus Features release, a major Oscar contender, launched with \$6.5 million

in 1,753 theaters.

That put "Conclave" into third place, making it the rare adult-oriented drama to make a mark theatrically. Some 77% of ticket buyers were over the age of 35, Focus said. With a strong opening and stellar reviews, "Conclave" could continue to gather momentum both with moviegoers and Oscar voters.

Estimated ticket sales for Friday through Sunday at U.S. and Canadian theaters, according to Comscore. Final domestic figures will be released Monday.

WEEKEND BOX OFFICE

1. "Venom: The Last Dance," \$51 million.
2. "Smile 2," \$9.4 million.
3. "Conclave," \$6.5 million.
4. "The Wild Robot," \$6.5 million.
5. "We Live in Time," \$4.8 million.
6. "Terrifier 3," \$4.3 million.
7. "Beetlejuice Beetlejuice," \$3.2 million.
8. "Anora," \$867,142.
9. "Piece by Piece," \$720,000.
10. "Transformers One," \$720,000.
