COMMUNITY ENGAGEMENT

WHAT WE HEARD

[COMMUNITY ENGAGEMENT 01]

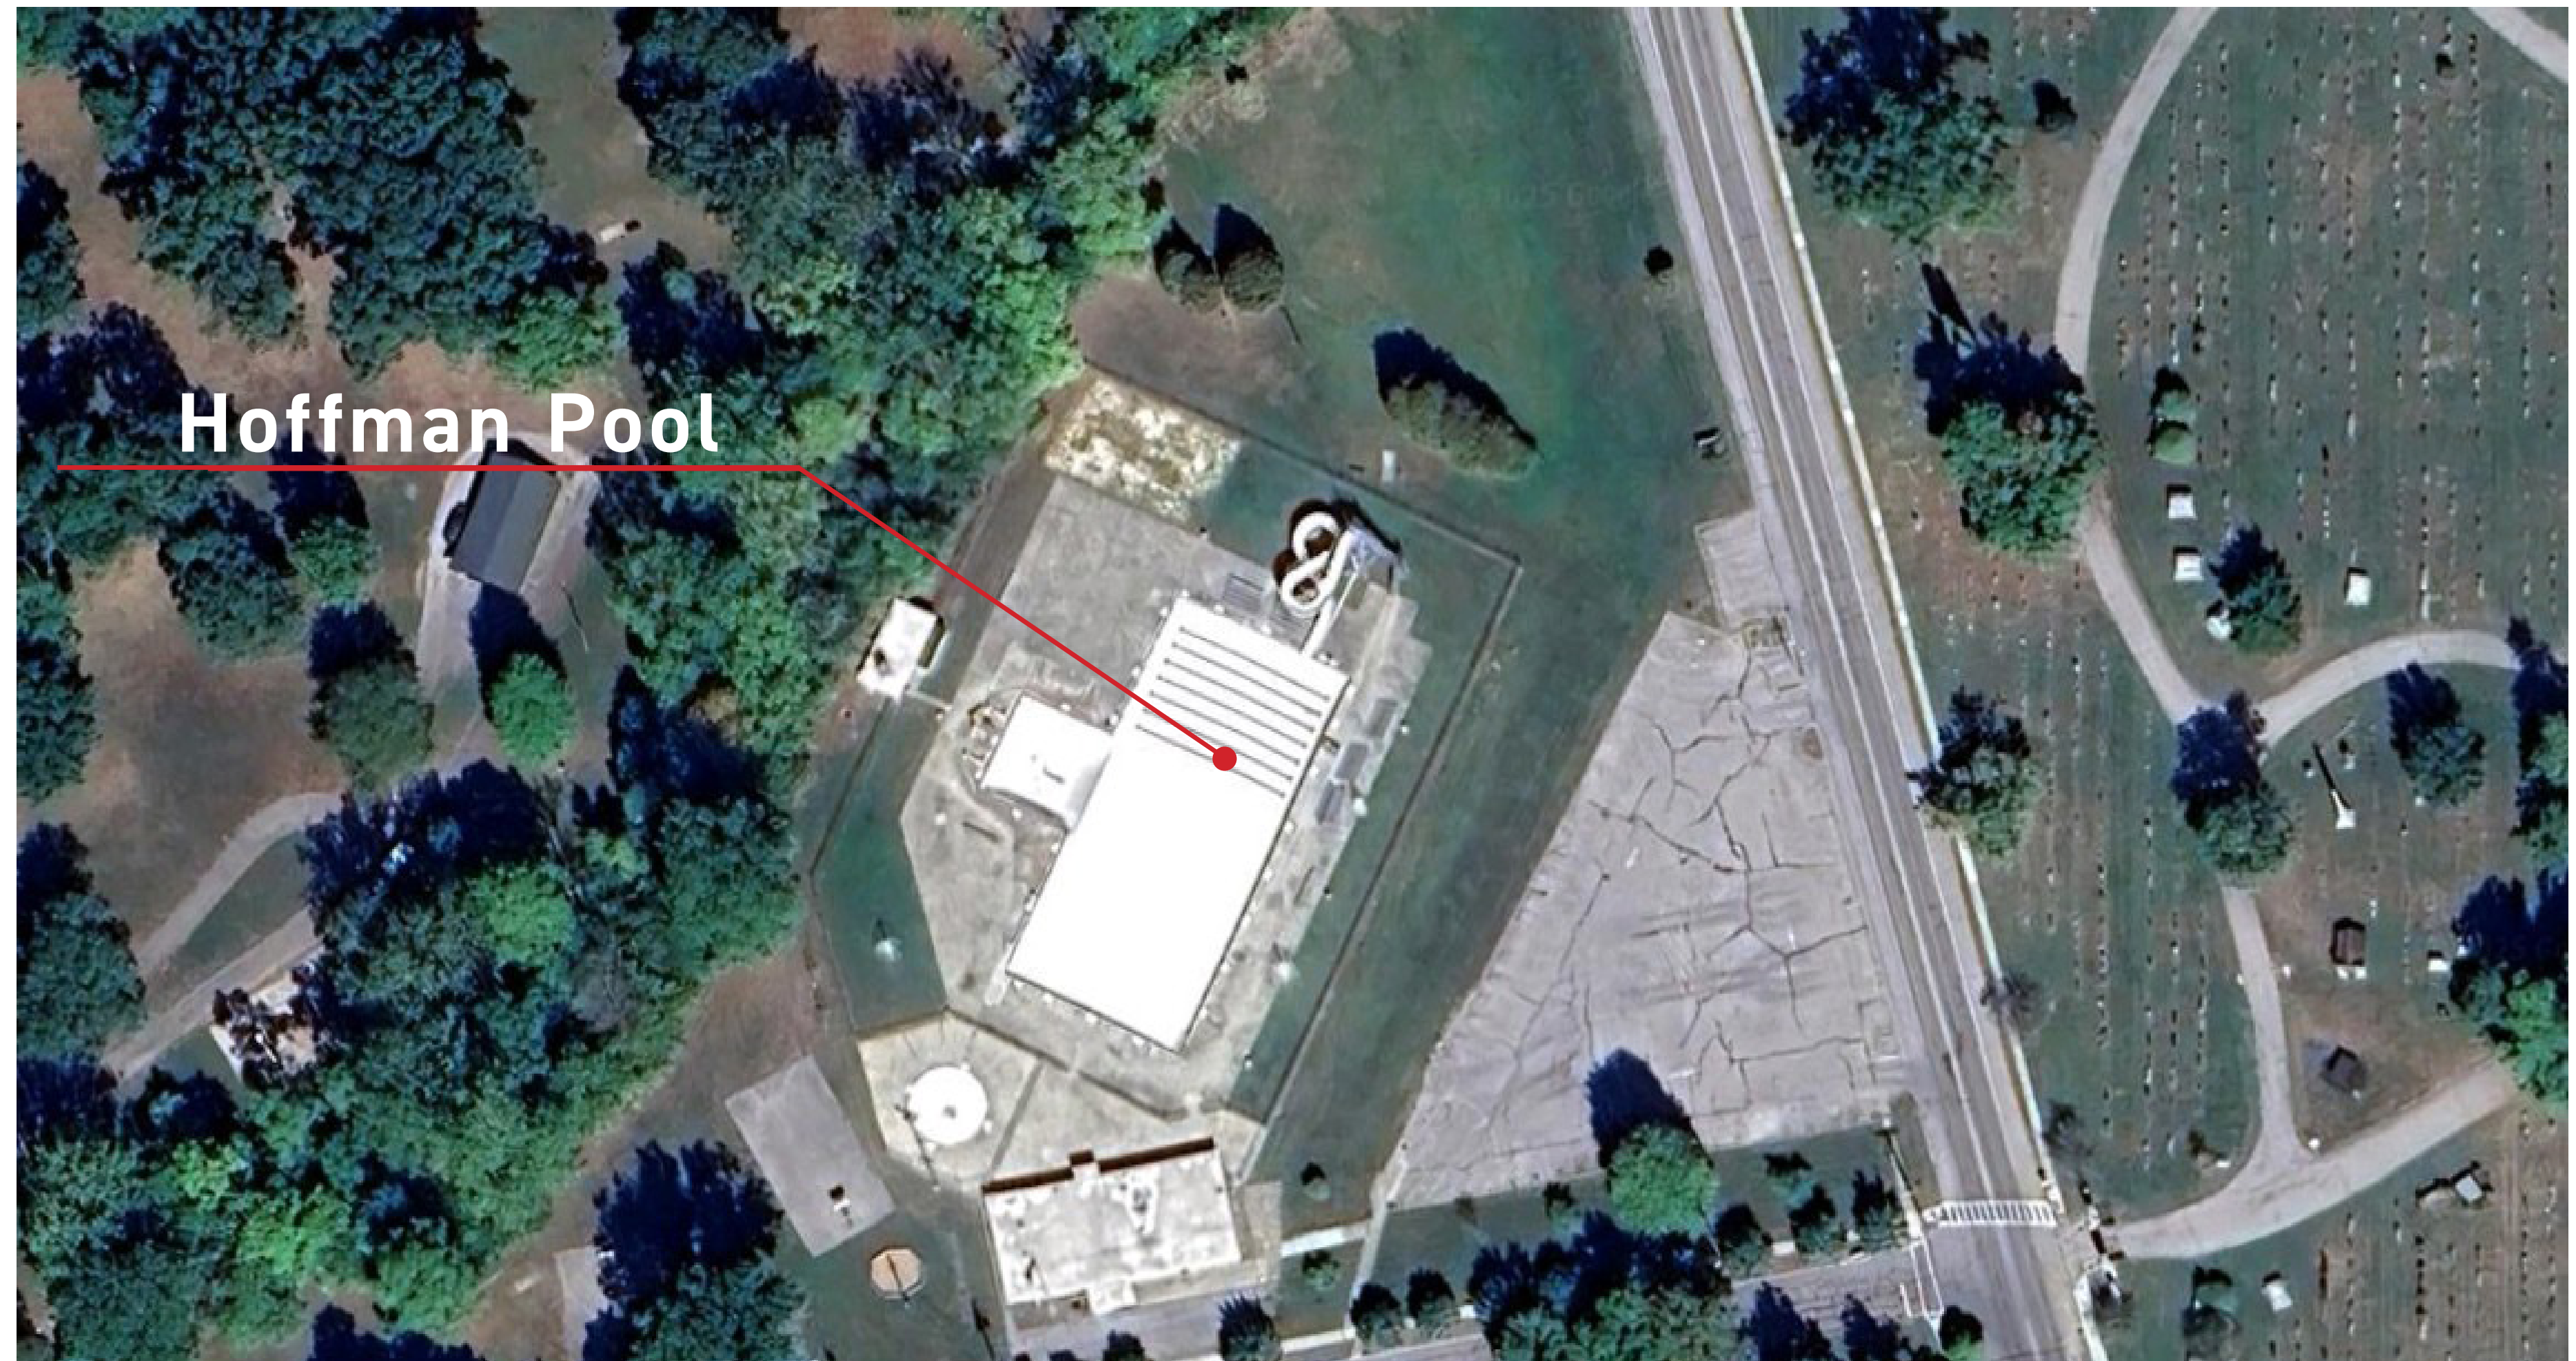

- Concerns about accessibility and ADA access
- Current drop off is in parking lot
- Desire for additional shade
- Current number of lap lanes (6) can support community and swim meet needs
- Swim lesson support is a priority
- Operationally, staffing is biggest cost driver – desire to minimize adding staffing needs
- Existing pool house lacks adequate changing areas

Amenities discussed:

- Splash pad
- Toddler pool with interactive features
- Lazy river (cost and staffing noted)
- Climbing wall
- Separate bodies of water
- Activities for middle-aged kids
- Diving
- Slides
- Bench seating in pool
